2018 Results of Survey to Glen Rock Businesses on Plastic Bags

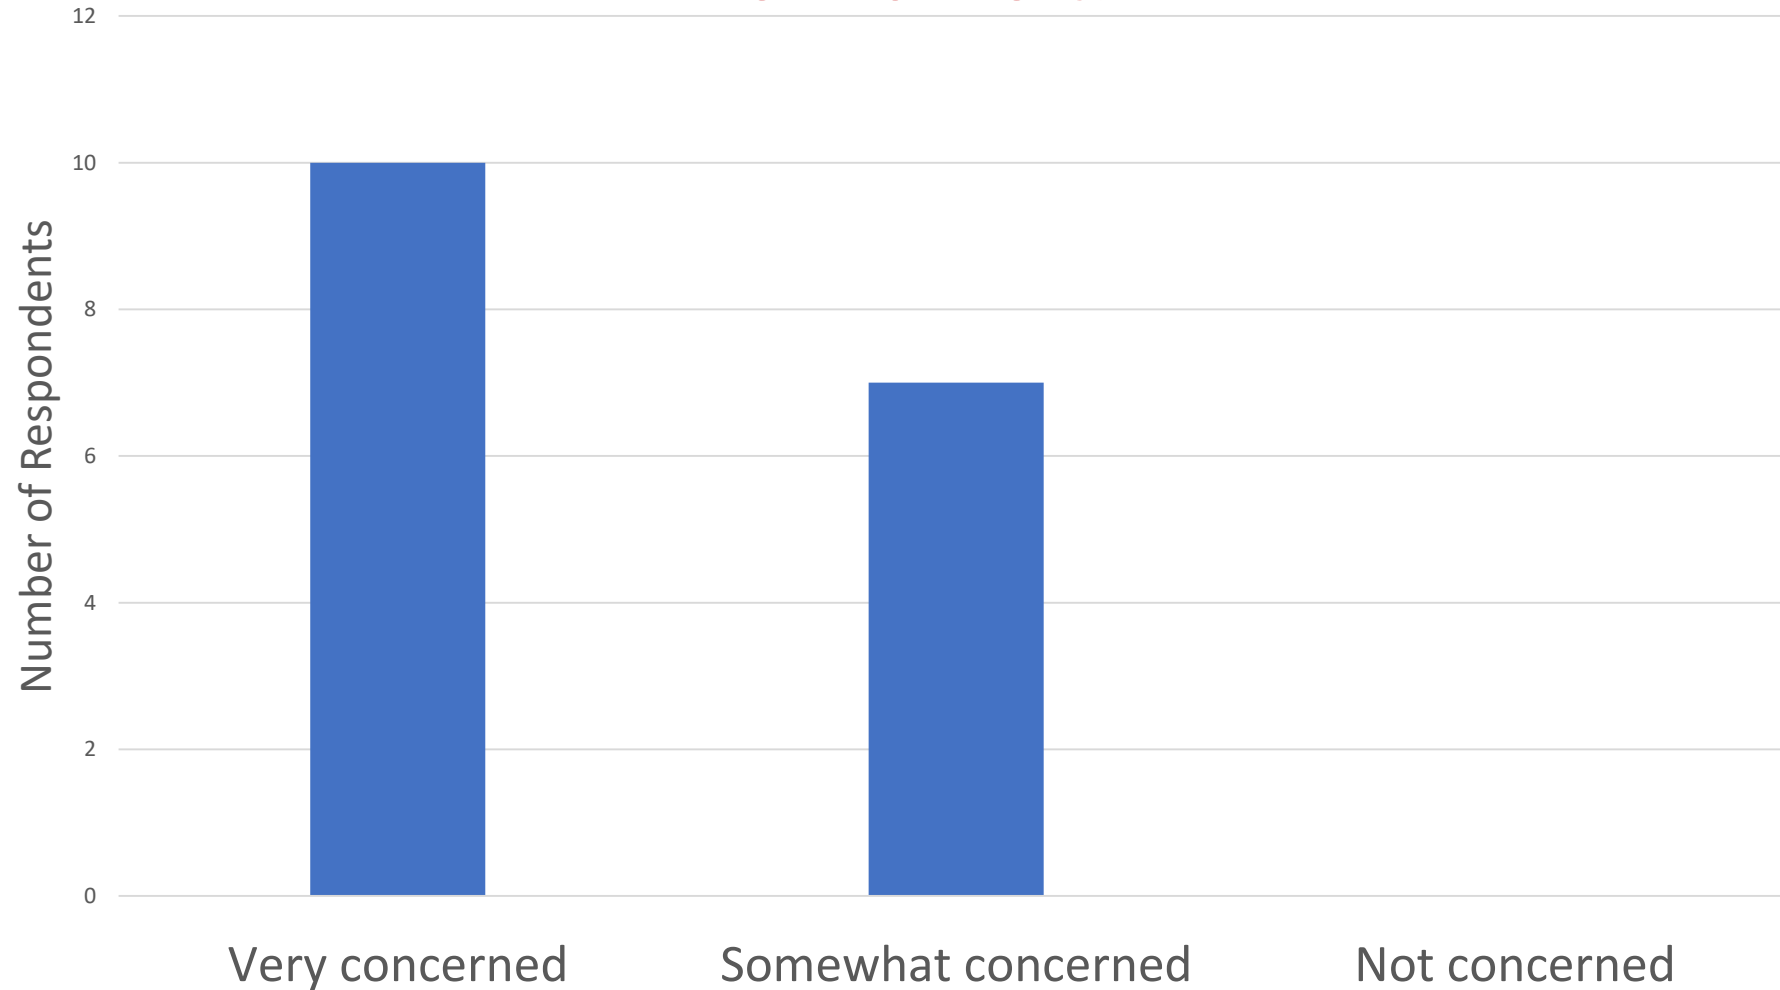

Glen Rock Environmental Commission – December 2018

GREC thanks the Green Team Interns for collecting the responses from the businesses in November-December 2018 and Jessica Caron for the data analysis

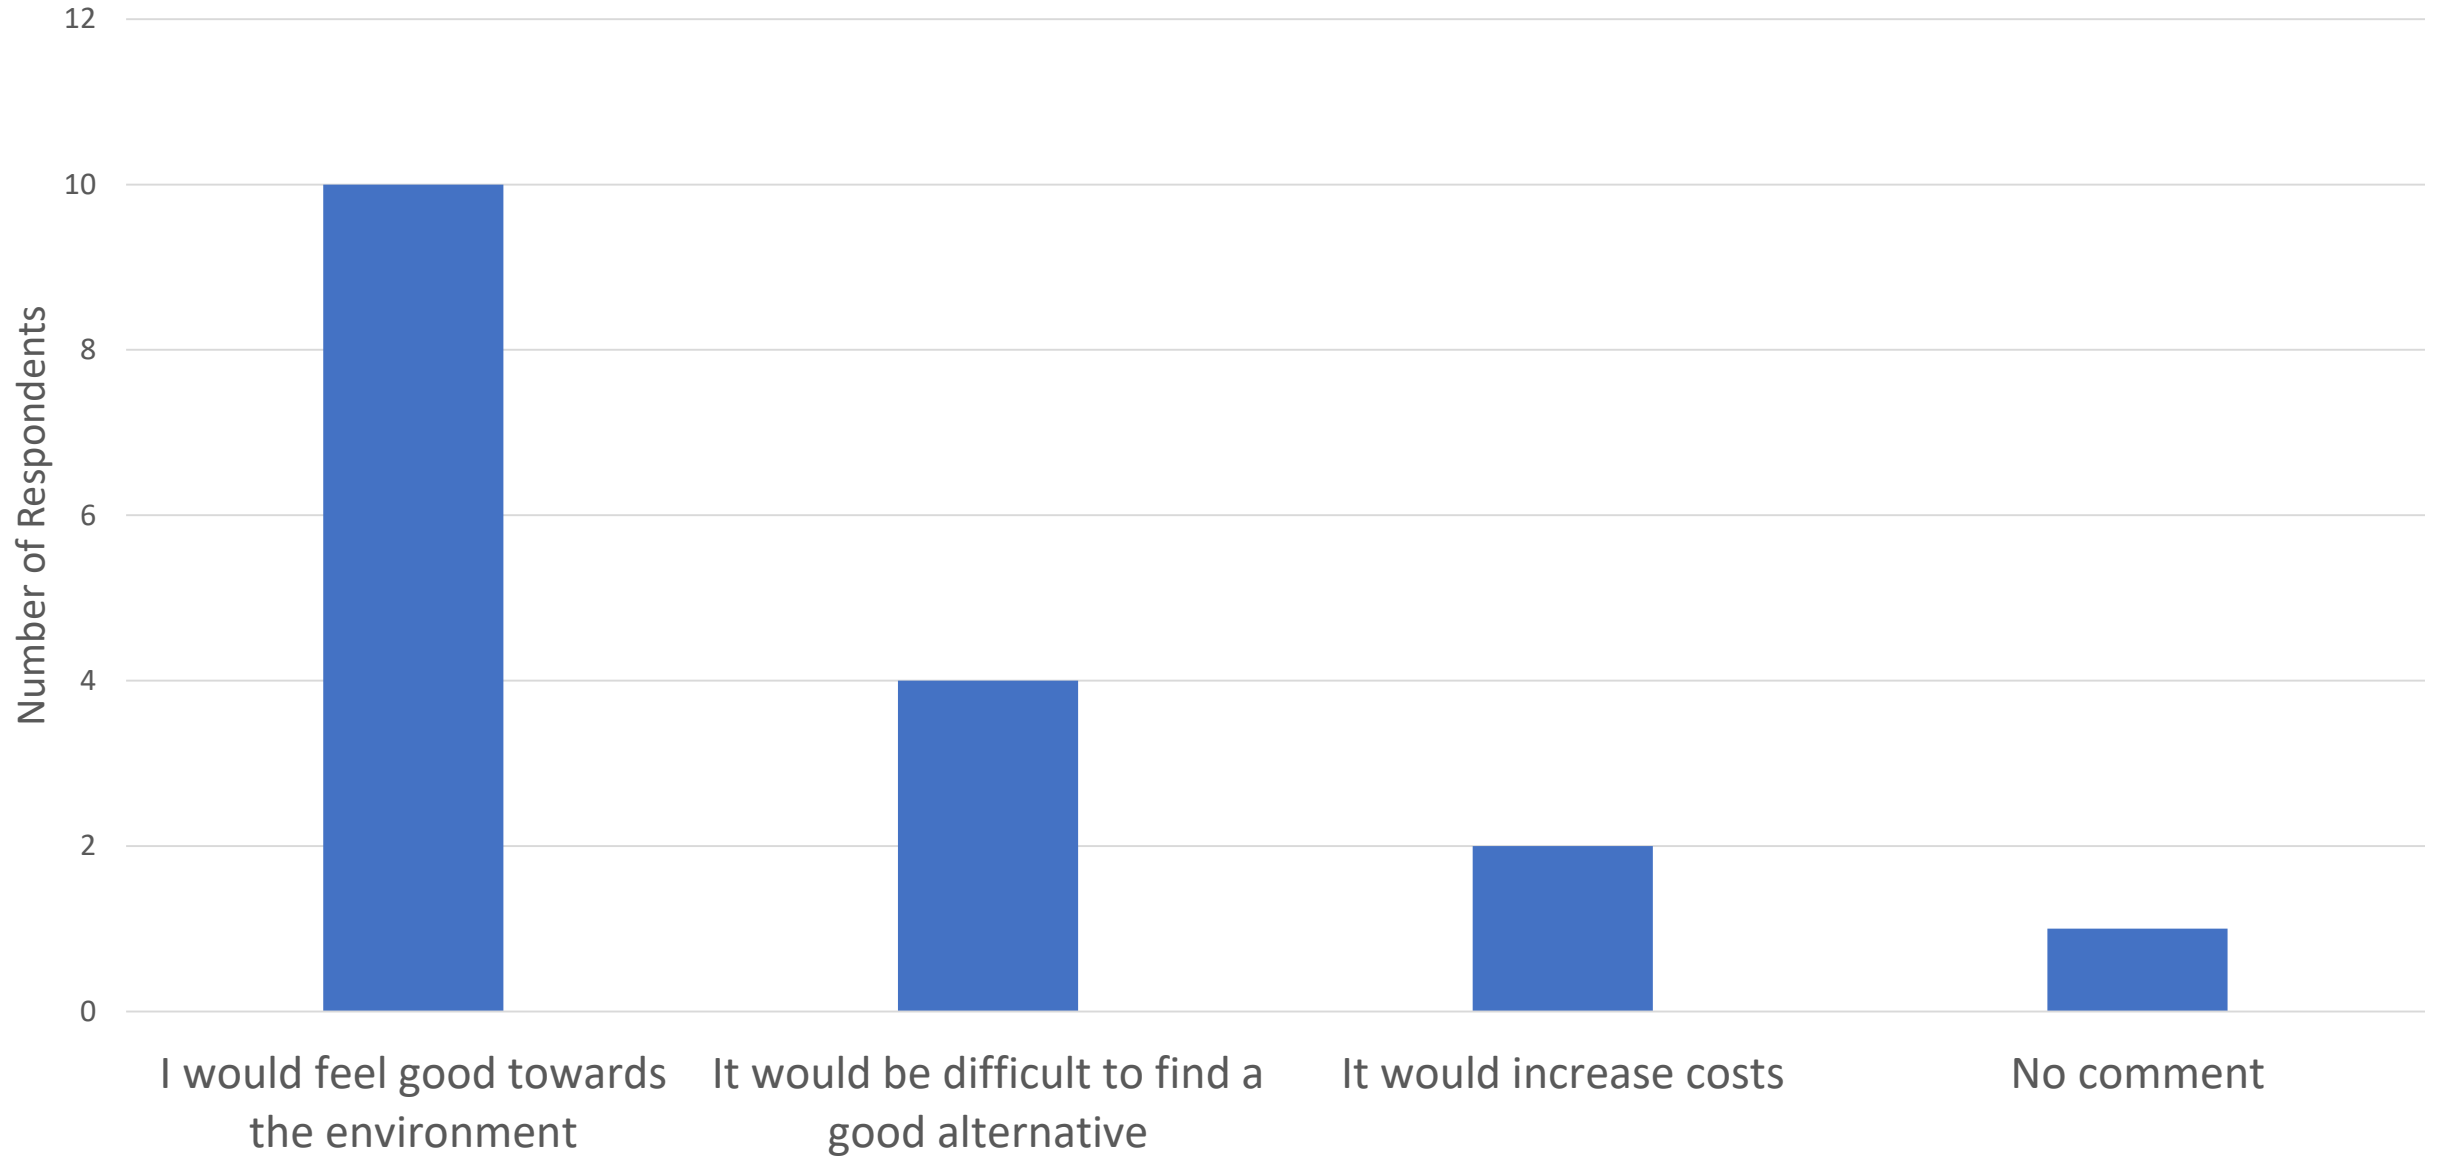

Business Type

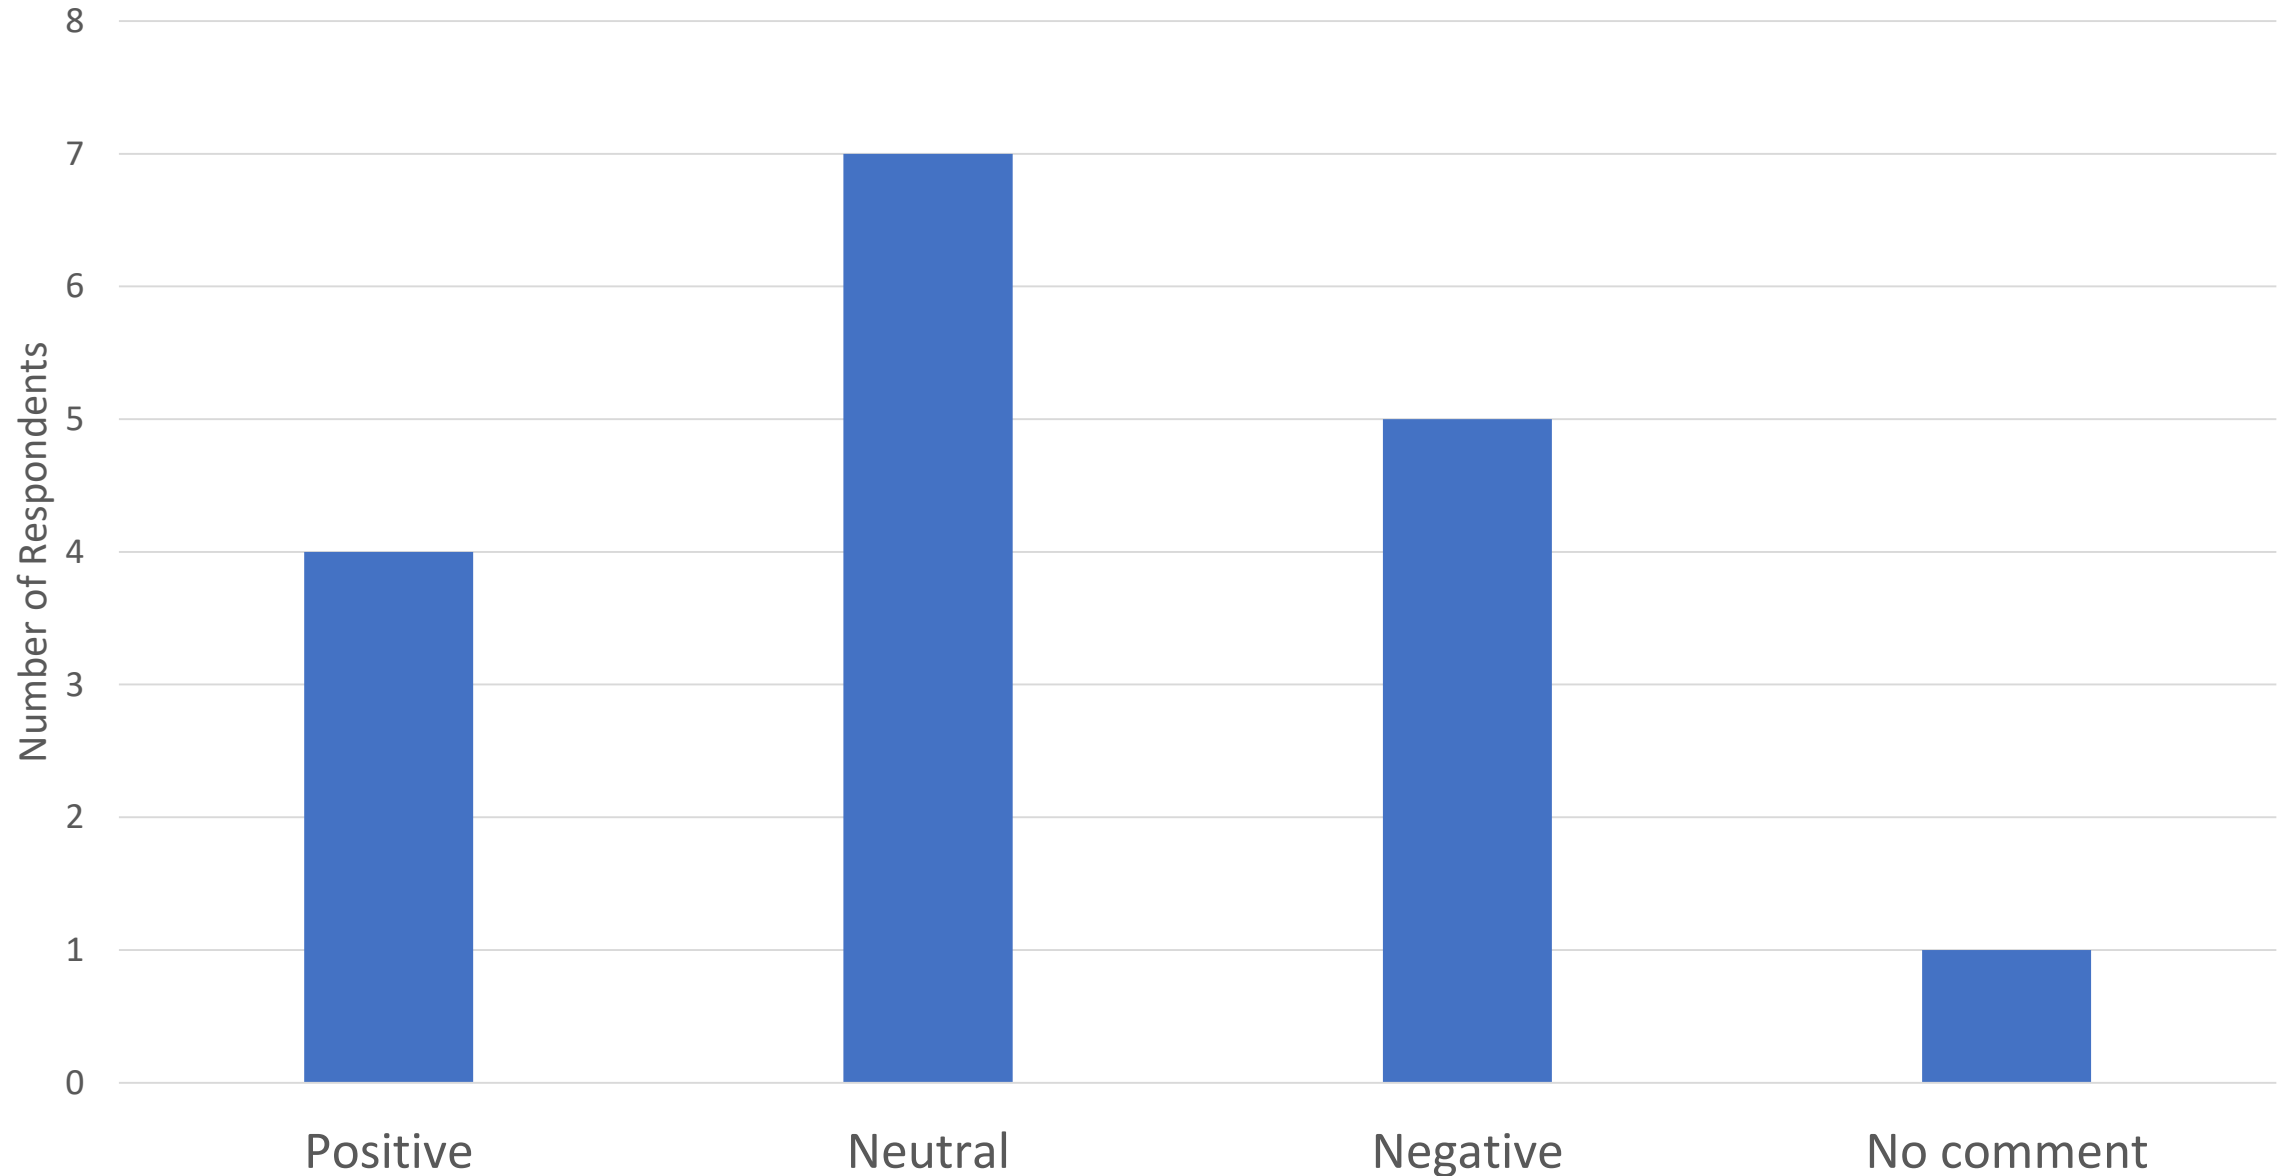

Are you concerned about the effects of plastic bags on the environment?

How would you feel switching to non-plastic?

Would a change away from plastic bags be positive, negative or neutral for your business?

If the state or the borough considered banning the use of single-use carry out plastic bags, would you be in favor?
